| <b>Purity</b>                      | Antigen Affinity-purified                                                                                                                              |
| <b>Buffer</b>                      | 50mM Sodium Borate                                                                                                                                     |
| <b>Product Description</b>         |                                                                                                                                                        |
| <b>Host</b>                        | Sheep                                                                                                                                                  |
| <b>Gene ID</b>                     | 3240                                                                                                                                                   |
| <b>Gene Symbol</b>                 | HP                                                                                                                                                     |
| <b>Species</b>                     | Mouse                                                                                                                                                  |
| <b>Specificity/Sensitivity</b>     | Detects mouse Haptoglobin in direct ELISAs and Western blots. In direct ELISAs, approximately 20% cross-reactivity with human Haptoglobin is observed. |
| <b>Immunogen</b>                   | Mouse serum-derived Haptoglobin                                                                                                                        |
| <b>Notes</b>                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                                      |
| <b>Product Application Details</b> |                                                                                                                                                        |
| <b>Applications</b>                | Western Blot                                                                                                                                           |
| <b>Recommended Dilutions</b>       | Western Blot                                                                                                                                           |
| <b>Application Notes</b>           | Optimal dilution of this antibody should be experimentally determined.                                                                                 |
