| Purity                      | Antigen Affinity-purified                                                                                                                              |
| Buffer                      | 50mM Sodium Borate                                                                                                                                     |
| Product Description         |                                                                                                                                                        |
| Host                        | Sheep                                                                                                                                                  |
| Gene ID                     | 64866                                                                                                                                                  |
| Gene Symbol                 | CDCP1                                                                                                                                                  |
| Species                     | Mouse                                                                                                                                                  |
| Specificity/Sensitivity     | Detects mouse CDCP1 in direct ELISAs and Western blots. In direct ELISAs, approximately 25% cross-reactivity with recombinant human CDCP1 is observed. |
| Immunogen                   | Mouse myeloma cell line NS0-derived recombinant mouse CDCP1<br>Arg25-Ala667<br>Accession # Q5U462                                                      |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                                      |
| Product Application Details |                                                                                                                                                        |
| Applications                | Western Blot, Immunohistochemistry                                                                                                                     |
| Recommended Dilutions       | Western Blot, Immunohistochemistry                                                                                                                     |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                 |
