| Storage                     | Store at 4C in the dark.                                                                                                                                                             |
| Clonality                   | Polyclonal                                                                                                                                                                           |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                                   |
| Isotype                     | IgG                                                                                                                                                                                  |
| Conjugate                   | DyLight 488                                                                                                                                                                          |
| Purity                      | Antigen Affinity-purified                                                                                                                                                            |
| Buffer                      | 50mM Sodium Borate                                                                                                                                                                   |
| Product Description         |                                                                                                                                                                                      |
| Host                        | Sheep                                                                                                                                                                                |
| Gene ID                     | 3551                                                                                                                                                                                 |
| Gene Symbol                 | IKBKB                                                                                                                                                                                |
| Species                     | Human                                                                                                                                                                                |
| Specificity/Sensitivity     | Detects endogenous human IKK $\beta$ in Western blots. In Western blots, this antibody does not cross-react with recombinant human IKK $\alpha$ , IKK $\gamma$ , or IKK $\epsilon$ . |
| Immunogen                   | <i>E. coli</i> -derived recombinant human IKK $\beta$<br>Gly374-Ser756<br>Accession # O14920                                                                                         |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                                                                    |
| Product Application Details |                                                                                                                                                                                      |
| Applications                | Western Blot                                                                                                                                                                         |
| Recommended Dilutions       | Western Blot                                                                                                                                                                         |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                               |
