| Clonality                   | Polyclonal                                                                                                                        |
| Preservative                | 0.05% Sodium Azide                                                                                                                |
| Isotype                     | IgG                                                                                                                               |
| Conjugate                   | DyLight 550                                                                                                                       |
| Purity                      | Antigen Affinity-purified                                                                                                         |
| Buffer                      | 50mM Sodium Borate                                                                                                                |
| Product Description         |                                                                                                                                   |
| Host                        | Goat                                                                                                                              |
| Gene ID                     | 1616                                                                                                                              |
| Gene Symbol                 | DAXX                                                                                                                              |
| Species                     | Human                                                                                                                             |
| Specificity/Sensitivity     | Detects endogenous human Daxx in Western blots. Detection of both reported Daxx isoforms is expected based on immunogen sequence. |
| Immunogen                   | <i>E. coli</i> -derived recombinant human Daxx<br>Met497-Gly626<br>Accession # Q9UER7                                             |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                 |
| Product Application Details |                                                                                                                                   |
| Applications                | Western Blot                                                                                                                      |
| Recommended Dilutions       | Western Blot                                                                                                                      |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                            |
