| Clonality                   | Polyclonal                                                                                                                                          |
| Preservative                | 0.05% Sodium Azide                                                                                                                                  |
| Isotype                     | IgG                                                                                                                                                 |
| Conjugate                   | Janelia Fluor 669                                                                                                                                   |
| Purity                      | Antigen Affinity-purified                                                                                                                           |
| Buffer                      | 50mM Sodium Borate                                                                                                                                  |
| Product Description         |                                                                                                                                                     |
| Host                        | Goat                                                                                                                                                |
| Gene ID                     | 84909                                                                                                                                               |
| Gene Symbol                 | C9ORF3                                                                                                                                              |
| Species                     | Human                                                                                                                                               |
| Specificity/Sensitivity     | Detects human Aminopeptidase O/ONPEP in direct ELISAs and Western blots.                                                                            |
| Immunogen                   | <i>S. frugiperda</i> insect ovarian cell line Sf 21-derived recombinant human Aminopeptidase O/ONPEP isoform 1<br>Met1-Phe819<br>Accession # Q8N6M6 |
| Notes                       | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.                                                               |
| Product Application Details |                                                                                                                                                     |
| Applications                | Western Blot, Immunohistochemistry, Immunoprecipitation                                                                                             |
| Recommended Dilutions       | Western Blot, Immunohistochemistry, Immunoprecipitation                                                                                             |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                              |
