| <b>Preservative</b>                | 0.05% Sodium Azide                                                                                                                                                                                       |
| <b>Isotype</b>                     | IgG                                                                                                                                                                                                      |
| <b>Conjugate</b>                   | DyLight 550                                                                                                                                                                                              |
| <b>Purity</b>                      | Antigen Affinity-purified                                                                                                                                                                                |
| <b>Buffer</b>                      | 50mM Sodium Borate                                                                                                                                                                                       |
| <b>Product Description</b>         |                                                                                                                                                                                                          |
| <b>Host</b>                        | Sheep                                                                                                                                                                                                    |
| <b>Gene ID</b>                     | 26470                                                                                                                                                                                                    |
| <b>Gene Symbol</b>                 | SEZ6L2                                                                                                                                                                                                   |
| <b>Species</b>                     | Human, Mouse                                                                                                                                                                                             |
| <b>Specificity/Sensitivity</b>     | Detects human and mouse SEZ6L2/BSRP-A in direct ELISAs and Western blots. In direct ELISAs and Western blots, less than 5% cross-reactivity with recombinant mouse (rm) BSRP-B and rmBSRP-C is observed. |
| <b>Immunogen</b>                   | Mouse myeloma cell line NS0-derived recombinant mouse SEZ6L2/BSRP-A Leu28-Ser837<br>Accession # Q4V9Z5                                                                                                   |
| <b>Notes</b>                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                                                                                        |
| <b>Product Application Details</b> |                                                                                                                                                                                                          |
| <b>Applications</b>                | Western Blot, Immunohistochemistry                                                                                                                                                                       |
| <b>Recommended Dilutions</b>       | Western Blot, Immunohistochemistry                                                                                                                                                                       |
| <b>Application Notes</b>           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                   |
