| Gene ID                     | 140576                                                                                                                                                                                                                                               |
| Gene Symbol                 | S100A16                                                                                                                                                                                                                                              |
| Species                     | Human                                                                                                                                                                                                                                                |
| Specificity/Sensitivity     | Detects human S100A16 in direct ELISAs and Western blots. In direct ELISAs, this antibody shows approximately 20% cross-reactivity with recombinant mouse S100A16 and less than 1% cross-reactivity with recombinant human (rh) S100A13 and rhS100B. |
| Immunogen                   | <i>E. coli</i> -derived recombinant human S100A16<br>Ser2-Ser103<br>Accession # Q96FQ6                                                                                                                                                               |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                                                                                                                                    |
| Product Application Details |                                                                                                                                                                                                                                                      |
| Applications                | Western Blot, Immunohistochemistry                                                                                                                                                                                                                   |
| Recommended Dilutions       | Western Blot, Immunohistochemistry                                                                                                                                                                                                                   |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                                                               |
