| Buffer                      | 50mM Sodium Borate                                                                                                                                    |
| Product Description         |                                                                                                                                                       |
| Host                        | Goat                                                                                                                                                  |
| Gene ID                     | 56477                                                                                                                                                 |
| Gene Symbol                 | CCL28                                                                                                                                                 |
| Species                     | Mouse                                                                                                                                                 |
| Specificity/Sensitivity     | Detects mouse CCL28 in direct ELISAs and Western blots. In direct ELISAs, approximately 5% cross-reactivity with recombinant human CCL28 is observed. |
| Immunogen                   | <i>E. coli</i> -derived recombinant mouse CCL28<br>Ile23-Arg130<br>Accession # Q9JIL2                                                                 |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                                     |
| Product Application Details |                                                                                                                                                       |
| Applications                | Western Blot, Neutralization                                                                                                                          |
| Recommended Dilutions       | Western Blot, Neutralization                                                                                                                          |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                |
