| Product Description         |                                                                                                                                                                                 |
| Host                        | Goat                                                                                                                                                                            |
| Gene ID                     | 145264                                                                                                                                                                          |
| Gene Symbol                 | Serpina12                                                                                                                                                                       |
| Species                     | Rat                                                                                                                                                                             |
| Specificity/Sensitivity     | Detects rat Serpin A12 in direct ELISAs and Western blots. In direct ELISAs and Western blots, approximately 5% cross-reactivity with recombinant human Serpin A12 is observed. |
| Immunogen                   | Mouse myeloma cell line NS0-derived recombinant rat Serpin A12<br>Leu20-Pro411<br>Accession # Q8R4Z1                                                                            |
| Product Application Details |                                                                                                                                                                                 |
| Applications                | Western Blot, Immunoprecipitation                                                                                                                                               |
| Recommended Dilutions       | Western Blot, Immunoprecipitation                                                                                                                                               |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                          |
