| <b>Gene ID</b>                     | 9508                                                                                                                                                                                                                                                                       |
| <b>Gene Symbol</b>                 | ADAMTS3                                                                                                                                                                                                                                                                    |
| <b>Species</b>                     | Human                                                                                                                                                                                                                                                                      |
| <b>Specificity/Sensitivity</b>     | Detects human ADAMTS3 in direct ELISAs and Western blots. In direct ELISAs and Western blots, approximately 3% cross-reactivity with recombinant human (rh) ADAMTS4 and less than 1% cross-reactivity with rhADAMTS1, rhADAMTS5, rhADAMTS13, and rhADAMTSL1.2 is observed. |
| <b>Immunogen</b>                   | Chinese hamster ovary cell line CHO-derived recombinant human ADAMTS3 Ser19-Cys712<br>Accession # O15072                                                                                                                                                                   |
| <b>Product Application Details</b> |                                                                                                                                                                                                                                                                            |
| <b>Applications</b>                | Western Blot, Immunoprecipitation                                                                                                                                                                                                                                          |
| <b>Recommended Dilutions</b>       | Western Blot, Immunoprecipitation                                                                                                                                                                                                                                          |
| <b>Application Notes</b>           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                                                                                     |
