| <b>Clonality</b>                   | Polyclonal                                                                                                                                                                                                |
| <b>Preservative</b>                | No Preservative                                                                                                                                                                                           |
| <b>Isotype</b>                     | IgG                                                                                                                                                                                                       |
| <b>Conjugate</b>                   | HRP                                                                                                                                                                                                       |
| <b>Purity</b>                      | Antigen Affinity-purified                                                                                                                                                                                 |
| <b>Buffer</b>                      | PBS                                                                                                                                                                                                       |
| <b>Product Description</b>         |                                                                                                                                                                                                           |
| <b>Host</b>                        | Goat                                                                                                                                                                                                      |
| <b>Gene ID</b>                     | 8828                                                                                                                                                                                                      |
| <b>Gene Symbol</b>                 | NRP2                                                                                                                                                                                                      |
| <b>Species</b>                     | Mouse, Rat                                                                                                                                                                                                |
| <b>Specificity/Sensitivity</b>     | Detects mouse and rat Neuropilin-2 in direct ELISAs and Western blots. In direct ELISAs, less than 10% cross-reactivity with recombinant human Neuropilin-2 and recombinant rat Neuropilin-1 is observed. |
| <b>Immunogen</b>                   | Mouse myeloma cell line NS0-derived recombinant rat Neuropilin <sup>2</sup> ;2 Gln23-Asp857 (Val809-Asp825 del)<br>Accession # O35276                                                                     |
| <b>Product Application Details</b> |                                                                                                                                                                                                           |
| <b>Applications</b>                | Western Blot, Immunohistochemistry, Blockade of Receptor-ligand Interaction                                                                                                                               |
| <b>Recommended Dilutions</b>       | Western Blot, Immunohistochemistry, Blockade of Receptor-ligand Interaction                                                                                                                               |
| <b>Application Notes</b>           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                    |
