| Buffer                      | 50mM Sodium Borate                                                                                                                                                                                                         |
| Product Description         |                                                                                                                                                                                                                            |
| Host                        | Goat                                                                                                                                                                                                                       |
| Gene ID                     | 3621                                                                                                                                                                                                                       |
| Gene Symbol                 | ING1                                                                                                                                                                                                                       |
| Species                     | Human                                                                                                                                                                                                                      |
| Specificity/Sensitivity     | Detects human ING1 in direct ELISAs and Western blots. In direct ELISAs, approximately 5% cross-reactivity with recombinant human (rh) ING2 and less than 1% cross-reactivity with rhING3, rhING4, and rhING5 is observed. |
| Immunogen                   | <i>E. coli</i> -derived recombinant human ING1<br>Met213-Ser327<br>Accession # Q9UK53                                                                                                                                      |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                                                                                                          |
| Product Application Details |                                                                                                                                                                                                                            |
| Applications                | Western Blot, Immunohistochemistry, Immunocytochemistry                                                                                                                                                                    |
| Recommended Dilutions       | Western Blot, Immunohistochemistry, Immunocytochemistry                                                                                                                                                                    |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                                     |
