| Purity                      | Antigen Affinity-purified                                                                                                                              |
| Buffer                      | 50mM Sodium Borate                                                                                                                                     |
| Product Description         |                                                                                                                                                        |
| Host                        | Sheep                                                                                                                                                  |
| Gene ID                     | 79902                                                                                                                                                  |
| Gene Symbol                 | NUP85                                                                                                                                                  |
| Species                     | Human                                                                                                                                                  |
| Specificity/Sensitivity     | Detects human NUP85 in direct ELISAs and Western blots. In direct ELISAs, approximately 50% cross-reactivity with recombinant mouse NUP85 is observed. |
| Immunogen                   | <i>E. coli</i> -derived recombinant human NUP85<br>Accession # Q9BW27                                                                                  |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                                      |
| Product Application Details |                                                                                                                                                        |
| Applications                | Western Blot, Immunocytochemistry                                                                                                                      |
| Recommended Dilutions       | Western Blot, Immunocytochemistry                                                                                                                      |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                 |
