| Conjugate                   | DyLight 488                                                                                                                                            |
| Purity                      | Antigen Affinity-purified                                                                                                                              |
| Buffer                      | 50mM Sodium Borate                                                                                                                                     |
| Product Description         |                                                                                                                                                        |
| Host                        | Sheep                                                                                                                                                  |
| Gene ID                     | 5920                                                                                                                                                   |
| Gene Symbol                 | RARRES3                                                                                                                                                |
| Species                     | Human                                                                                                                                                  |
| Specificity/Sensitivity     | Detects human RARRES3 in direct ELISAs. In direct ELISAs, less than 1% cross-reactivity with recombinant human (rh) RARRES1 and rhLatexin is observed. |
| Immunogen                   | <i>E. coli</i> -derived recombinant human RARRES3 Asp12-Lys134 Accession # Q9UL19                                                                      |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                                      |
| Product Application Details |                                                                                                                                                        |
| Applications                | Immunocytochemistry                                                                                                                                    |
| Recommended Dilutions       | Immunocytochemistry                                                                                                                                    |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                 |
