| <b>Gene ID</b>                     | 51561                                                                                                                                                                                                                                                          |
| <b>Gene Symbol</b>                 | IL23A                                                                                                                                                                                                                                                          |
| <b>Species</b>                     | Human, Canine                                                                                                                                                                                                                                                  |
| <b>Specificity/Sensitivity</b>     | Detects human and canine IL-23 p19 in direct ELISAs and Western blots. In direct ELISAs, approximately 60% cross-reactivity with recombinant feline IL-23 p19 is observed and approximately 40% cross-reactivity with recombinant mouse IL-23 p19 is observed. |
| <b>Immunogen</b>                   | <i>E. coli</i> -derived recombinant canine IL-23 p19 Arg23-Pro193 Accession # XP_538231                                                                                                                                                                        |
| <b>Notes</b>                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                                                                                                                                              |
| <b>Product Application Details</b> |                                                                                                                                                                                                                                                                |
| <b>Applications</b>                | Western Blot                                                                                                                                                                                                                                                   |
| <b>Recommended Dilutions</b>       | Western Blot                                                                                                                                                                                                                                                   |
| <b>Application Notes</b>           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                                                                         |
