EGLN2/PHD1 Antibody [DyLight 594]

| Product Information         |                                                                                                                               |
|-----------------------------|-------------------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                                        |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                                   |
| Storage                     | Store at 4C in the dark.                                                                                                      |
| Clonality                   | Polyclonal                                                                                                                    |
| Preservative                | 0.05% Sodium Azide                                                                                                            |
| Isotype                     | IgG                                                                                                                           |
| Conjugate                   | DyLight 594                                                                                                                   |
| Purity                      | Antigen Affinity-purified                                                                                                     |
| Buffer                      | 50mM Sodium Borate                                                                                                            |
| Product Description         |                                                                                                                               |
| Host                        | Sheep                                                                                                                         |
| Gene ID                     | 112398                                                                                                                        |
| Gene Symbol                 | EGLN2                                                                                                                         |
| Species                     | Human                                                                                                                         |
| Specificity/Sensitivity     | Detects human EGLN2/PHD1 in direct ELISAs and Western blots.                                                                  |
| Immunogen                   | <i>S. frugiperda</i> insect ovarian cell line Sf 21-derived recombinant human EGLN2/PHD1<br>Asp2-Thr407<br>Accession # Q96KS0 |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                             |
| Product Application Details |                                                                                                                               |
| Applications                | Western Blot, Immunoprecipitation                                                                                             |
| Recommended Dilutions       | Western Blot, Immunoprecipitation                                                                                             |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                        |
