| Preservative                | 0.05% Sodium Azide                                                                                                                                                                                                                     |
| Isotype                     | IgG                                                                                                                                                                                                                                    |
| Conjugate                   | DyLight 550                                                                                                                                                                                                                            |
| Purity                      | Antigen Affinity-purified                                                                                                                                                                                                              |
| Buffer                      | 50mM Sodium Borate                                                                                                                                                                                                                     |
| Product Description         |                                                                                                                                                                                                                                        |
| Host                        | Sheep                                                                                                                                                                                                                                  |
| Gene ID                     | 10266                                                                                                                                                                                                                                  |
| Gene Symbol                 | RAMP2                                                                                                                                                                                                                                  |
| Species                     | Human                                                                                                                                                                                                                                  |
| Specificity/Sensitivity     | Detects human RAMP2 in direct ELISAs and Western blots. In direct ELISAs, approximately 50% cross-reactivity with recombinant mouse RAMP2 is observed and less than 1% cross-reactivity with recombinant human (rh) RAMP1 and rhRAMP3. |
| Immunogen                   | <i>E. coli</i> -derived recombinant human RAMP2 Gln43-Val145 Accession # O60895                                                                                                                                                        |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                                                                                                                      |
| Product Application Details |                                                                                                                                                                                                                                        |
| Applications                | Western Blot                                                                                                                                                                                                                           |
| Recommended Dilutions       | Western Blot                                                                                                                                                                                                                           |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                                                 |
