| Gene ID                     | 350                                                                                                                                                                                                                                               |
| Gene Symbol                 | APOH                                                                                                                                                                                                                                              |
| Species                     | Mouse, Rat                                                                                                                                                                                                                                        |
| Specificity/Sensitivity     | Detects mouse and rat Apolipoprotein H/ApoH in Western blots and detects recombinant mouse Apolipoprotein H/ApoH in direct ELISAs. In direct ELISAs, approximately 40% cross-reactivity with recombinant human Apolipoprotein H/ApoH is observed. |
| Immunogen                   | Mouse myeloma cell line NS0-derived recombinant mouse Apolipoprotein H/ApoH<br>Gly20-Cys345<br>Accession # Q01339                                                                                                                                 |
| Notes                       | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.                                                                                                                                                             |
| Product Application Details |                                                                                                                                                                                                                                                   |
| Applications                | Western Blot                                                                                                                                                                                                                                      |
| Recommended Dilutions       | Western Blot                                                                                                                                                                                                                                      |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                                                            |
