Protocadherin-15 Antibody [Janelia Fluor® 669]

| Product Information         |                                                                                                                       |
|-----------------------------|-----------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                                |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                           |
| Storage                     | Store at 4C in the dark.                                                                                              |
| Clonality                   | Polyclonal                                                                                                            |
| Preservative                | 0.05% Sodium Azide                                                                                                    |
| Isotype                     | IgG                                                                                                                   |
| Conjugate                   | Janelia Fluor 669                                                                                                     |
| Purity                      | Antigen Affinity-purified                                                                                             |
| Buffer                      | 50mM Sodium Borate                                                                                                    |
| Product Description         |                                                                                                                       |
| Host                        | Sheep                                                                                                                 |
| Gene ID                     | 65217                                                                                                                 |
| Gene Symbol                 | PCDH15                                                                                                                |
| Species                     | Human                                                                                                                 |
| Specificity/Sensitivity     | Detects human Protocadherin-15 in direct ELISAs.                                                                      |
| Immunogen                   | Chinese hamster ovary cell line CHO-derived recombinant human Protocadherin-15<br>Gln27-Ala1376<br>Accession # Q96QU1 |
| Notes                       | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.                                 |
| Product Application Details |                                                                                                                       |
| Applications                | Western Blot, Immunohistochemistry, Immunocytochemistry                                                               |
| Recommended Dilutions       | Western Blot, Immunohistochemistry, Immunocytochemistry                                                               |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                |
