Attractin Antibody [PE]

| Product Information         |                                                                                                                |
|-----------------------------|----------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                         |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                    |
| Storage                     | Store at 4C in the dark.                                                                                       |
| Clonality                   | Polyclonal                                                                                                     |
| Preservative                | 0.05% Sodium Azide                                                                                             |
| Isotype                     | IgG                                                                                                            |
| Conjugate                   | PE                                                                                                             |
| Purity                      | Antigen Affinity-purified                                                                                      |
| Buffer                      | PBS                                                                                                            |
| Product Description         |                                                                                                                |
| Host                        | Sheep                                                                                                          |
| Gene ID                     | 8455                                                                                                           |
| Gene Symbol                 | ATRN                                                                                                           |
| Species                     | Human                                                                                                          |
| Specificity/Sensitivity     | Detects human Attractin in direct ELISAs and Western blots.                                                    |
| Immunogen                   | Chinese hamster ovary cell line CHO-derived recombinant human Attractin Ala84-Gln1272<br>Accession # NP_647538 |
| Product Application Details |                                                                                                                |
| Applications                | Western Blot, Immunocytochemistry                                                                              |
| Recommended Dilutions       | Western Blot, Immunocytochemistry                                                                              |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                         |
