Allergin-1 Antibody [Biotin]

| Product Information         |                                                                                                                     |
|-----------------------------|---------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                              |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                         |
| Storage                     | Store at 4C in the dark.                                                                                            |
| Clonality                   | Polyclonal                                                                                                          |
| Preservative                | 0.05% Sodium Azide                                                                                                  |
| Isotype                     | IgG                                                                                                                 |
| Conjugate                   | Biotin                                                                                                              |
| Purity                      | Antigen Affinity-purified                                                                                           |
| Buffer                      | PBS                                                                                                                 |
| Product Description         |                                                                                                                     |
| Host                        | Sheep                                                                                                               |
| Gene ID                     | 284021                                                                                                              |
| Gene Symbol                 | MILR1                                                                                                               |
| Species                     | Human                                                                                                               |
| Specificity/Sensitivity     | Detects human Allergin-1 in direct ELISAs.                                                                          |
| Immunogen                   | <i>E. coli</i> -derived recombinant human Allergin-1 (isoform Allergin-1S2)<br>Met29-Ser131<br>Accession # BAJ08253 |
| Product Application Details |                                                                                                                     |
| Applications                | Western Blot                                                                                                        |
| Recommended Dilutions       | Western Blot                                                                                                        |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                              |
