**AF7560D****Glutaredoxin 3/GLRX3 Antibody [DyLight 350]**

| <b>Product Information</b>         |                                                                                                       |
|------------------------------------|-------------------------------------------------------------------------------------------------------|
| <b>Unit Size</b>                   | 0.1 ml                                                                                                |
| <b>Concentration</b>               | Please see the vial label for concentration. If unlisted please contact technical services.           |
| <b>Storage</b>                     | Store at 4C in the dark.                                                                              |
| <b>Clonality</b>                   | Polyclonal                                                                                            |
| <b>Preservative</b>                | 0.05% Sodium Azide                                                                                    |
| <b>Isotype</b>                     | IgG                                                                                                   |
| <b>Conjugate</b>                   | DyLight 350                                                                                           |
| <b>Purity</b>                      | Antigen Affinity-purified                                                                             |
| <b>Buffer</b>                      | 50mM Sodium Borate                                                                                    |
| <b>Product Description</b>         |                                                                                                       |
| <b>Host</b>                        | Sheep                                                                                                 |
| <b>Gene ID</b>                     | 10539                                                                                                 |
| <b>Gene Symbol</b>                 | GLRX3                                                                                                 |
| <b>Species</b>                     | Human, Mouse, Rat                                                                                     |
| <b>Specificity/Sensitivity</b>     | Detects human, mouse and rat Glutaredoxin 3/GLRX3 in Western blots.                                   |
| <b>Immunogen</b>                   | <i>E. coli</i> -derived recombinant human Glutaredoxin 3/GLRX3<br>Asn126-Lys294<br>Accession # O76003 |
| <b>Notes</b>                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                     |
| <b>Product Application Details</b> |                                                                                                       |
| <b>Applications</b>                | Western Blot, Immunohistochemistry                                                                    |
| <b>Recommended Dilutions</b>       | Western Blot, Immunohistochemistry                                                                    |
| <b>Application Notes</b>           | Optimal dilution of this antibody should be experimentally determined.                                |
