gp96/HSP90B1/GRP94 Antibody [DyLight 405]

| Product Information         |                                                                                               |
|-----------------------------|-----------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                        |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.   |
| Storage                     | Store at 4C in the dark.                                                                      |
| Clonality                   | Polyclonal                                                                                    |
| Preservative                | 0.05% Sodium Azide                                                                            |
| Isotype                     | IgG                                                                                           |
| Conjugate                   | DyLight 405                                                                                   |
| Purity                      | Antigen Affinity-purified                                                                     |
| Buffer                      | 50mM Sodium Borate                                                                            |
| Product Description         |                                                                                               |
| Host                        | Sheep                                                                                         |
| Gene ID                     | 7184                                                                                          |
| Gene Symbol                 | HSP90B1                                                                                       |
| Species                     | Human, Mouse, Rat                                                                             |
| Specificity/Sensitivity     | Detects human, mouse, and rat gp96/HSP90B1 in direct ELISAs and Western blots.                |
| Immunogen                   | <i>E. coli</i> -derived recombinant human gp96/HSP90B1<br>Arg503-Arg660<br>Accession # P14625 |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.             |
| Product Application Details |                                                                                               |
| Applications                | Western Blot, Immunohistochemistry, Knockout Validated                                        |
| Recommended Dilutions       | Western Blot, Immunohistochemistry, Knockout Validated                                        |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                        |
