| Gene Symbol                 | AKR1C3                                                                                                                                                                                                                                                  |
| Species                     | Human                                                                                                                                                                                                                                                   |
| Specificity/Sensitivity     | Detects human Aldo-keto Reductase 1C3/AKR1C3 in direct ELISAs and Western blots. In direct ELISAs, approximately 40% cross-reactivity with recombinant human (rh) AKR1C1 is observed, and approximately 25% cross-reactivity with rhAKR1C4 is observed. |
| Immunogen                   | <i>E. coli</i> -derived recombinant human Aldo-keto Reductase 1C3/AKR1C3 Met1-Tyr323<br>Accession # P42330                                                                                                                                              |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                                                                                                                                       |
| Product Application Details |                                                                                                                                                                                                                                                         |
| Applications                | Western Blot                                                                                                                                                                                                                                            |
| Recommended Dilutions       | Western Blot                                                                                                                                                                                                                                            |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                                                                  |
