| Gene ID                     | 6624                                                                                                                                                                                                                                  |
| Gene Symbol                 | FSCN1                                                                                                                                                                                                                                 |
| Species                     | Human, Mouse, Rat                                                                                                                                                                                                                     |
| Marker                      | Dendritic Cell Marker                                                                                                                                                                                                                 |
| Specificity/Sensitivity     | Detects human, mouse, rat Fascin in direct ELISAs and Western blots. In direct ELISAs, less than 5% cross-reactivity with recombinant human Fascin-2 is observed.                                                                     |
| Immunogen                   | <i>E. coli</i> -derived recombinant human Fascin<br>Met1-Tyr493<br>Accession # Q16658                                                                                                                                                 |
| Notes                       | mFluor(TM) is a trademark of AAT Bioquest, Inc. This conjugate is made on demand. Actual recovery may vary from the stated volume of this product. The volume will be greater than or equal to the unit size stated on the datasheet. |
| Product Application Details |                                                                                                                                                                                                                                       |
| Applications                | Western Blot, Knockout Validated                                                                                                                                                                                                      |
| Recommended Dilutions       | Western Blot, Knockout Validated                                                                                                                                                                                                      |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                                                |
