alpha 1B-Glycoprotein Antibody [Janelia Fluor® 646]

| Product Information         |                                                                                                                                    |
|-----------------------------|------------------------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                                             |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                                        |
| Storage                     | Store at 4C in the dark.                                                                                                           |
| Clonality                   | Polyclonal                                                                                                                         |
| Preservative                | 0.05% Sodium Azide                                                                                                                 |
| Isotype                     | IgG                                                                                                                                |
| Conjugate                   | Janelia Fluor 646                                                                                                                  |
| Purity                      | Antigen Affinity-purified                                                                                                          |
| Buffer                      | 50mM Sodium Borate                                                                                                                 |
| Product Description         |                                                                                                                                    |
| Host                        | Sheep                                                                                                                              |
| Gene Symbol                 | A1BG                                                                                                                               |
| Species                     | Human                                                                                                                              |
| Specificity/Sensitivity     | Detects human $\alpha$ 1B-Glycoprotein in direct ELISAs and Western blots.                                                         |
| Immunogen                   | Human embryonic kidney cell line HEK293-derived recombinant human $\alpha$ 1B-Glycoprotein<br>Ala22-Ser495<br>Accession # EAW72575 |
| Notes                       | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.                                              |
| Product Application Details |                                                                                                                                    |
| Applications                | Western Blot                                                                                                                       |
| Recommended Dilutions       | Western Blot                                                                                                                       |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                             |
