| Purity                      | Antigen Affinity-purified                                                                                                                                |
| Buffer                      | 50mM Sodium Borate                                                                                                                                       |
| Product Description         |                                                                                                                                                          |
| Host                        | Sheep                                                                                                                                                    |
| Gene ID                     | 8448                                                                                                                                                     |
| Gene Symbol                 | DOC2A                                                                                                                                                    |
| Species                     | Human, Mouse                                                                                                                                             |
| Specificity/Sensitivity     | Detects human and mouse Doc2 $\alpha$ in Western blots. In direct ELISAs, less than 1% cross-reactivity with recombinant human Doc2 $\beta$ is observed. |
| Immunogen                   | <i>E. coli</i> -derived recombinant human Doc2 $\alpha$<br>Met1-Lys114 (Gly48Ser)<br>Accession # Q14183                                                  |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                                        |
| Product Application Details |                                                                                                                                                          |
| Applications                | Western Blot                                                                                                                                             |
| Recommended Dilutions       | Western Blot                                                                                                                                             |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                   |
