| Storage                     | Store at 4C in the dark.                                                                                                                                                                      |
| Clonality                   | Polyclonal                                                                                                                                                                                    |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                                            |
| Isotype                     | IgG                                                                                                                                                                                           |
| Conjugate                   | Janelia Fluor 525                                                                                                                                                                             |
| Purity                      | Antigen Affinity-purified                                                                                                                                                                     |
| Buffer                      | 50mM Sodium Borate                                                                                                                                                                            |
| Product Description         |                                                                                                                                                                                               |
| Host                        | Sheep                                                                                                                                                                                         |
| Gene ID                     | 1066                                                                                                                                                                                          |
| Gene Symbol                 | Ces1g                                                                                                                                                                                         |
| Species                     | Mouse                                                                                                                                                                                         |
| Specificity/Sensitivity     | Detects mouse Carboxylesterase 1/CES1 in direct ELISAs and Western blots. In direct ELISAs, less than 5% cross-reactivity with recombinant mouse CES3 and recombinant human CES1 is observed. |
| Immunogen                   | Mouse myeloma cell line NS0-derived recombinant mouse Carboxylesterase 1/CES1<br>His19-Leu565<br>Accession # Q8VCC2                                                                           |
| Notes                       | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.                                                                                                         |
| Product Application Details |                                                                                                                                                                                               |
| Applications                | Western Blot                                                                                                                                                                                  |
| Recommended Dilutions       | Western Blot                                                                                                                                                                                  |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                        |
