| Storage                     | Store at 4C in the dark.                                                                                                                                          |
| Clonality                   | Polyclonal                                                                                                                                                        |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                |
| Isotype                     | IgG                                                                                                                                                               |
| Conjugate                   | FITC                                                                                                                                                              |
| Purity                      | Antigen Affinity-purified                                                                                                                                         |
| Buffer                      | PBS                                                                                                                                                               |
| Product Description         |                                                                                                                                                                   |
| Host                        | Sheep                                                                                                                                                             |
| Gene ID                     | 6906                                                                                                                                                              |
| Gene Symbol                 | SERPINA7                                                                                                                                                          |
| Species                     | Human                                                                                                                                                             |
| Specificity/Sensitivity     | Detects human Serpin A7/TBG in direct ELISAs and Western blots. In direct ELISAs, approximately 5% cross-reactivity with recombinant human Serpin A9 is observed. |
| Immunogen                   | Chinese hamster ovary cell line CHO-derived recombinant human Serpin A7/TBG<br>Ala21-Ala415<br>Accession # P05543                                                 |
| Product Application Details |                                                                                                                                                                   |
| Applications                | Western Blot                                                                                                                                                      |
| Recommended Dilutions       | Western Blot                                                                                                                                                      |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                            |
