**AF855H****GDF-6/BMP-13 Antibody [HRP]**

| Product Information         |                                                                                               |
|-----------------------------|-----------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                        |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.   |
| Storage                     | Store at 4C in the dark.                                                                      |
| Clonality                   | Polyclonal                                                                                    |
| Preservative                | No Preservative                                                                               |
| Isotype                     | IgG                                                                                           |
| Conjugate                   | HRP                                                                                           |
| Purity                      | Antigen Affinity-purified                                                                     |
| Buffer                      | PBS                                                                                           |
| Product Description         |                                                                                               |
| Host                        | Sheep                                                                                         |
| Gene ID                     | 392255                                                                                        |
| Gene Symbol                 | GDF6                                                                                          |
| Species                     | Mouse                                                                                         |
| Specificity/Sensitivity     | Detects mouse GDF-6/BMP-13 in direct ELISAs.                                                  |
| Immunogen                   | <i>E. coli</i> -derived recombinant mouse GDF-6/BMP-13<br>Thr335-Arg454<br>Accession # P43028 |
| Product Application Details |                                                                                               |
| Applications                | Immunohistochemistry                                                                          |
| Recommended Dilutions       | Immunohistochemistry                                                                          |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                        |
