| Clonality                   | Polyclonal                                                                                                                                                                       |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                               |
| Isotype                     | IgG                                                                                                                                                                              |
| Conjugate                   | DyLight 405                                                                                                                                                                      |
| Purity                      | Antigen Affinity-purified                                                                                                                                                        |
| Buffer                      | 50mM Sodium Borate                                                                                                                                                               |
| Product Description         |                                                                                                                                                                                  |
| Host                        | Goat                                                                                                                                                                             |
| Gene ID                     | 7078                                                                                                                                                                             |
| Gene Symbol                 | TIMP3                                                                                                                                                                            |
| Species                     | Human                                                                                                                                                                            |
| Specificity/Sensitivity     | Detects human TIMP-3 in direct ELISAs and Western blots. In direct ELISAs, less than 1% cross-reactivity with recombinant human (rh) TIMP□1, rhTIMP□2, and rhTIMP□4 is observed. |
| Immunogen                   | Mouse myeloma cell line NS0-derived recombinant human TIMP-3 Cys24-Pro211<br>Accession # P35625                                                                                  |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                                                                |
| Product Application Details |                                                                                                                                                                                  |
| Applications                | Western Blot, Immunoprecipitation                                                                                                                                                |
| Recommended Dilutions       | Western Blot, Immunoprecipitation                                                                                                                                                |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                           |
