IFN-gamma Antibody [DyLight 405]

| Product Information         |                                                                                                 |
|-----------------------------|-------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                          |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.     |
| Storage                     | Store at 4C in the dark.                                                                        |
| Clonality                   | Polyclonal                                                                                      |
| Preservative                | 0.05% Sodium Azide                                                                              |
| Isotype                     | IgG                                                                                             |
| Conjugate                   | DyLight 405                                                                                     |
| Purity                      | Antigen Affinity-purified                                                                       |
| Buffer                      | 50mM Sodium Borate                                                                              |
| Product Description         |                                                                                                 |
| Host                        | Goat                                                                                            |
| Gene ID                     | 3458                                                                                            |
| Species                     | Porcine                                                                                         |
| Specificity/Sensitivity     | Detects porcine IFN $\gamma$ in direct ELISA.                                                   |
| Immunogen                   | <i>E. coli</i> -derived recombinant porcine IFN- $\gamma$<br>Ser21-Lys166<br>Accession # P17803 |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.               |
| Product Application Details |                                                                                                 |
| Applications                | Neutralization                                                                                  |
| Recommended Dilutions       | Neutralization                                                                                  |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                          |
