**FAB100801C**IFN- $\alpha$  I/IFNA17 Antibody (995819) [PerCP]

| Product Information         |                                                                                                                    |
|-----------------------------|--------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                             |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                        |
| Storage                     | Store at 4C in the dark.                                                                                           |
| Clonality                   | Monoclonal                                                                                                         |
| Clone                       | 995819                                                                                                             |
| Preservative                | 0.05% Sodium Azide                                                                                                 |
| Isotype                     | IgG1                                                                                                               |
| Conjugate                   | PerCP                                                                                                              |
| Purity                      | Protein A or G purified from hybridoma culture supernatant                                                         |
| Buffer                      | PBS                                                                                                                |
| Product Description         |                                                                                                                    |
| Host                        | Mouse                                                                                                              |
| Gene ID                     | 3451                                                                                                               |
| Species                     | Human                                                                                                              |
| Specificity/Sensitivity     | Detects human IFN $\alpha$ I in direct ELISAs.                                                                     |
| Immunogen                   | Human embryonic kidney cell line HEK293-derived recombinant human IFN $\alpha$ I Met1-Asp189<br>Accession # P01571 |
| Product Application Details |                                                                                                                    |
| Applications                | Neutralization                                                                                                     |
| Recommended Dilutions       | Neutralization                                                                                                     |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                             |
