IFN-alpha 2 Antibody (996548) [FITC]

| Product Information         |                                                                                                                                               |
|-----------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                                                        |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                                                   |
| Storage                     | Store at 4C in the dark.                                                                                                                      |
| Clonality                   | Monoclonal                                                                                                                                    |
| Clone                       | 996548                                                                                                                                        |
| Preservative                | 0.05% Sodium Azide                                                                                                                            |
| Isotype                     | IgG1                                                                                                                                          |
| Conjugate                   | FITC                                                                                                                                          |
| Purity                      | Protein A or G purified from hybridoma culture supernatant                                                                                    |
| Buffer                      | PBS                                                                                                                                           |
| Product Description         |                                                                                                                                               |
| Host                        | Rat                                                                                                                                           |
| Gene ID                     | 3440                                                                                                                                          |
| Species                     | Mouse                                                                                                                                         |
| Specificity/Sensitivity     | Detects mouse IFN-alpha 2/IFNA2 in direct ELISAs. In direct ELISAs, no cross-reactivity with mouse IFN-alpha 1, 4, 9, 12 and 15 was observed. |
| Immunogen                   | Human embryonic kidney cell, HEK293-derived mouse IFN-alpha 2/IFNA2 Cys24-Glu190<br>Accession # P01573                                        |
| Product Application Details |                                                                                                                                               |
| Applications                | ELISA                                                                                                                                         |
| Recommended Dilutions       | ELISA                                                                                                                                         |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                        |
