CLEC2L Antibody (2326G) [Janelia Fluor® 635]

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 0.1 ml                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                    |
| Clonality           | Monoclonal                                                                                  |
| Clone               | 2326G                                                                                       |
| Preservative        | 0.05% Sodium Azide                                                                          |
| Isotype             | IgG                                                                                         |
| Conjugate           | Janelia Fluor 635                                                                           |
| Purity              | 0                                                                                           |
| Buffer              | 50mM Sodium Borate                                                                          |

| Product Description     |                                                                                                          |
|-------------------------|----------------------------------------------------------------------------------------------------------|
| Host                    | Rabbit                                                                                                   |
| Gene ID                 | 154790                                                                                                   |
| Species                 | Human                                                                                                    |
| Specificity/Sensitivity | Detects human CLEC2L in direct ELISA.                                                                    |
| Immunogen               | Human embryonic kidney cell, HEK293-derived human CLEC2L protein<br>Ser90-Thr214<br>Accession # P0C7M8-1 |
| Notes                   | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.                    |

| Product Application Details |                                                                        |
|-----------------------------|------------------------------------------------------------------------|
| Applications                | Serum                                                                  |
| Recommended Dilutions       | Serum 0                                                                |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined. |
