GPR158 Antibody (1027651) [DyLight 680]

| Product Information         |                                                                                                       |
|-----------------------------|-------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.           |
| Storage                     | Store at 4C in the dark.                                                                              |
| Clonality                   | Monoclonal                                                                                            |
| Clone                       | 1027651                                                                                               |
| Preservative                | 0.05% Sodium Azide                                                                                    |
| Isotype                     | IgG2b                                                                                                 |
| Conjugate                   | DyLight 680                                                                                           |
| Purity                      | Protein A or G purified from hybridoma culture supernatant                                            |
| Buffer                      | 50mM Sodium Borate                                                                                    |
| Product Description         |                                                                                                       |
| Host                        | Mouse                                                                                                 |
| Gene ID                     | 57512                                                                                                 |
| Species                     | Human                                                                                                 |
| Specificity/Sensitivity     | Detects human GPR158 in direct ELISAs.                                                                |
| Immunogen                   | Human embryonic kidney cell HEK293-derived human GPR158 protein<br>Ala24-Gln411<br>Accession # Q5T848 |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                     |
| Product Application Details |                                                                                                       |
| Applications                | Flow Cytometry, Immunocytochemistry                                                                   |
| Recommended Dilutions       | Flow Cytometry, Immunocytochemistry                                                                   |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                |
