**FAB104561H**

GABA-B R2 Antibody (2605F) [HRP]

| Product Information         |                                                                                               |
|-----------------------------|-----------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                        |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.   |
| Storage                     | Store at 4C in the dark.                                                                      |
| Clonality                   | Monoclonal                                                                                    |
| Clone                       | 2605F                                                                                         |
| Preservative                | No Preservative                                                                               |
| Isotype                     | IgG                                                                                           |
| Conjugate                   | HRP                                                                                           |
| Purity                      | Protein A or G purified from egg yolks                                                        |
| Buffer                      | PBS                                                                                           |
| Product Description         |                                                                                               |
| Host                        | Rabbit                                                                                        |
| Gene ID                     | 9568                                                                                          |
| Species                     | Mouse, Rat                                                                                    |
| Specificity/Sensitivity     | Detects rat GABA B R2 in direct ELISAs. Detects mouse and rat GABA B R2 in Western blots.     |
| Immunogen                   | Mouse myeloma cell line NS0-derived recombinant rat GABA B R2 Trp41-Ser482 Accession # O88871 |
| Product Application Details |                                                                                               |
| Applications                | Western Blot                                                                                  |
| Recommended Dilutions       | Western Blot                                                                                  |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                        |
