CD3 epsilon Antibody (1033713) [FITC]

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 0.1 ml                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                    |
| Clonality           | Monoclonal                                                                                  |
| Clone               | 1033713                                                                                     |
| Preservative        | 0.05% Sodium Azide                                                                          |
| Isotype             | IgG2b                                                                                       |
| Conjugate           | FITC                                                                                        |
| Purity              | Protein A or G purified from hybridoma culture supernatant                                  |
| Buffer              | PBS                                                                                         |

| Product Description     |                                                                                          |
|-------------------------|------------------------------------------------------------------------------------------|
| Host                    | Mouse                                                                                    |
| Gene ID                 | 916                                                                                      |
| Gene Symbol             | CD3E                                                                                     |
| Species                 | Human                                                                                    |
| Specificity/Sensitivity | Detects human CD3ε in direct ELISAs.                                                     |
| Immunogen               | Human embryonic kidney cell HEK293-derived human CD3ε Gln22-Asp126<br>Accession # P07766 |

| Product Application Details |                                                                        |
|-----------------------------|------------------------------------------------------------------------|
| Applications                | Western Blot, Immunohistochemistry                                     |
| Recommended Dilutions       | Western Blot, Immunohistochemistry                                     |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined. |
