**FAB1074W**

JAM-B/VE-JAM Antibody (156623) [DyLight 650]

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 0.5 ml                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                    |
| Clonality           | Monoclonal                                                                                  |
| Clone               | 156623                                                                                      |
| Preservative        | 0.05% Sodium Azide                                                                          |
| Isotype             | IgG1                                                                                        |
| Conjugate           | DyLight 650                                                                                 |
| Purity              | Protein A or G purified from hybridoma culture supernatant                                  |
| Buffer              | 50mM Sodium Borate                                                                          |

| Product Description     |                                                                                                                                                      |
|-------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------|
| Host                    | Mouse                                                                                                                                                |
| Gene ID                 | 58494                                                                                                                                                |
| Gene Symbol             | JAM2                                                                                                                                                 |
| Species                 | Human                                                                                                                                                |
| Specificity/Sensitivity | Detects human JAM□B/VE□JAM in direct ELISAs and Western blots. In direct ELISAs and Western blots, no cross-reactivity with mouse JAM□B is observed. |
| Immunogen               | Mouse myeloma cell line NS0-derived recombinant human JAM□B/VE□JAM Phe29-Asn236 (predicted)<br>Accession # P57087                                    |
| Notes                   | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                                    |

| Product Application Details |                                                                        |
|-----------------------------|------------------------------------------------------------------------|
| Applications                | Western Blot                                                           |
| Recommended Dilutions       | Western Blot                                                           |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined. |
