**FAB10864A**

PD-1 Antibody (1015846) [Allophycocyanin]

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 0.1 ml                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                    |
| Clonality           | Monoclonal                                                                                  |
| Clone               | 1015846                                                                                     |
| Preservative        | 0.05% Sodium Azide                                                                          |
| Isotype             | IgG1                                                                                        |
| Conjugate           | Allophycocyanin                                                                             |
| Purity              | Protein A or G purified from cell culture supernatant                                       |
| Buffer              | PBS                                                                                         |

| Product Description     |                                                                                       |
|-------------------------|---------------------------------------------------------------------------------------|
| Host                    | Mouse                                                                                 |
| Gene ID                 | 5133                                                                                  |
| Species                 | Human                                                                                 |
| Specificity/Sensitivity | Detects human PD-1 in direct ELISAs.                                                  |
| Immunogen               | Human embryonic kidney cell HEK293-derived human PD-1 Leu25-Thr168 Accession # Q15116 |

| Product Application Details |                                                                                    |
|-----------------------------|------------------------------------------------------------------------------------|
| Applications                | Western Blot, ELISA, Immunohistochemistry, Blockade of Receptor-ligand Interaction |
| Recommended Dilutions       | Western Blot, ELISA, Immunohistochemistry, Blockade of Receptor-ligand Interaction |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.             |
