VSTM5 Antibody (2696A) [Janelia Fluor® 525]

| Product Information         |                                                                                                |
|-----------------------------|------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                         |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.    |
| Storage                     | Store at 4C in the dark.                                                                       |
| Clonality                   | Monoclonal                                                                                     |
| Clone                       | 2696A                                                                                          |
| Preservative                | 0.05% Sodium Azide                                                                             |
| Isotype                     | IgG                                                                                            |
| Conjugate                   | Janelia Fluor 525                                                                              |
| Purity                      | 0                                                                                              |
| Buffer                      | 50mM Sodium Borate                                                                             |
| Product Description         |                                                                                                |
| Host                        | Rabbit                                                                                         |
| Gene ID                     | 387804                                                                                         |
| Species                     | Human                                                                                          |
| Specificity/Sensitivity     | Detects human VSTM5 in direct ELISAs.                                                          |
| Immunogen                   | Human embryonic kidney cell HEK293-derived human VSTM5 Met1-His147<br>Accession # NP_001138343 |
| Notes                       | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.          |
| Product Application Details |                                                                                                |
| Applications                | Flow Cytometry, Immunohistochemistry                                                           |
| Recommended Dilutions       | Flow Cytometry, Immunohistochemistry                                                           |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                         |
