## FAB109031P

**Application Notes** 

Semaphorin 3A Antibody (1040525) [PE]

| Semaphorin 3A Antibody (1040525) [PE] |  |
|---------------------------------------|--|
| Product Information                   |  |
| Unit Size                             | 0.1 ml   |
| Concentration                         | Please see the vial label for concentration. If unlisted please contact technical services.                |
| Storage                               | Store at 4C in the dark.   |
| Clonality                             | Monoclonal   |
| Clone                                 | 1040525  |
| Preservative                          | 0.05% Sodium Azide   |
| Isotype                               | IgG1   |
| Conjugate                             | PE   |
| Purity                                | Protein A or G purified from hybridoma culture supernatant   |
| Buffer                                | PBS  |
| Product Description                   |  |
| Host                                  | Rat  |
| Gene ID                               | 10371  |
| Species                               | Mouse  |
| Specificity/Sensitivity               | Detects mouse Semaphorin 3A in direct ELISAs.  |
| Immunogen                             | Chinese Hamster Ovary cell line CHO-derived mouse Semaphorin 3A protein Asn21-Lys747<br>Accession # O08665 |
| Product Application Details           |  |
| Applications                          | Intracellular Staining by Flow Cytometry   |
| Recommended Dilutions                 | Intracellular Staining by Flow Cytometry   |
| 1                                     |  |

Optimal dilution of this antibody should be experimentally determined.
