Sonic Hedgehog/Shh Antibody (605022) [DyLight 594]

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 0.1 ml                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                    |
| Clonality           | Monoclonal                                                                                  |
| Clone               | 605022                                                                                      |
| Preservative        | 0.05% Sodium Azide                                                                          |
| Isotype             | IgG1                                                                                        |
| Conjugate           | DyLight 594                                                                                 |
| Purity              | Protein A or G purified from hybridoma culture supernatant                                  |
| Buffer              | 50mM Sodium Borate                                                                          |

| Product Description     |                                                                                               |
|-------------------------|-----------------------------------------------------------------------------------------------|
| Host                    | Mouse                                                                                         |
| Gene ID                 | 6469                                                                                          |
| Species                 | Human                                                                                         |
| Specificity/Sensitivity | Detects human Sonic Hedgehog/Shh in direct ELISAs.                                            |
| Immunogen               | <i>E. coli</i> -derived human Sonic Hedgehog/Shh protein Cys24-Gly197 Accession # NP_000184.1 |
| Notes                   | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.             |

| Product Application Details |                                                                        |
|-----------------------------|------------------------------------------------------------------------|
| Applications                | ELISA                                                                  |
| Recommended Dilutions       | ELISA                                                                  |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined. |
