| Clone                       | Hu4F2                                                                                                                                                                                           |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                                              |
| Isotype                     | IgG1                                                                                                                                                                                            |
| Conjugate                   | DyLight 405                                                                                                                                                                                     |
| Purity                      | Protein A or G purified from cell culture supernatant                                                                                                                                           |
| Buffer                      | 50mM Sodium Borate                                                                                                                                                                              |
| Product Description         |                                                                                                                                                                                                 |
| Host                        | Human                                                                                                                                                                                           |
| Gene ID                     | 2064                                                                                                                                                                                            |
| Species                     | Human                                                                                                                                                                                           |
| Specificity/Sensitivity     | Detects human ErbB2/Her2 in direct ELISAs. This non-therapeutic antibody uses the same variable region sequence as the therapeutic antibody Trastuzumab. This product is for research use only. |
| Immunogen                   | Human ErbB2/Her2                                                                                                                                                                                |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                                                                               |
| Product Application Details |                                                                                                                                                                                                 |
| Applications                | Immunocytochemistry                                                                                                                                                                             |
| Recommended Dilutions       | Immunocytochemistry                                                                                                                                                                             |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                          |
