Angiopoietin-like Protein 6/ANGPTL6 Antibody (856606) [Janelia Fluor® 525]

| Product Information         |                                                                                                         |
|-----------------------------|---------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                  |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.             |
| Storage                     | Store at 4C in the dark.                                                                                |
| Clonality                   | Monoclonal                                                                                              |
| Clone                       | 856606                                                                                                  |
| Preservative                | 0.05% Sodium Azide                                                                                      |
| Isotype                     | IgG1                                                                                                    |
| Conjugate                   | Janelia Fluor 525                                                                                       |
| Purity                      | Protein A or G purified from cell culture supernatant                                                   |
| Buffer                      | 50mM Sodium Borate                                                                                      |
| Product Description         |                                                                                                         |
| Host                        | Mouse                                                                                                   |
| Gene ID                     | 83854                                                                                                   |
| Species                     | Human                                                                                                   |
| Specificity/Sensitivity     | Detects human Angiopoietin-like protein 6/ANGPTL6 in direct ELISA.                                      |
| Immunogen                   | E. coli-expressed recombinant Human Angiopoietin-like Protein 6/ANGPTL6 Arg21-Leu470 Accession # Q8ROZ6 |
| Notes                       | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.                   |
| Product Application Details |                                                                                                         |
| Applications                | ELISA                                                                                                   |
| Recommended Dilutions       | ELISA                                                                                                   |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                  |
