TAPBPR Antibody (1059329) [Janelia Fluor® 646]

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 0.1 ml                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                    |
| Clonality           | Monoclonal                                                                                  |
| Clone               | 1059329                                                                                     |
| Preservative        | 0.05% Sodium Azide                                                                          |
| Isotype             | IgG2a                                                                                       |
| Conjugate           | Janelia Fluor 646                                                                           |
| Purity              | Protein A or G purified from hybridoma culture supernatant                                  |
| Buffer              | 50mM Sodium Borate                                                                          |

| Product Description     |                                                                                                |
|-------------------------|------------------------------------------------------------------------------------------------|
| Host                    | Mouse                                                                                          |
| Gene ID                 | 55080                                                                                          |
| Species                 | Human                                                                                          |
| Specificity/Sensitivity | Detects human TAPBPR in direct ELISA.                                                          |
| Immunogen               | Chinese Hamster Ovary cell line, CHO-derived human TAPBPR Ala19-Arg404<br>Accession # Q9BX59.2 |
| Notes                   | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.          |

| Product Application Details |                                                                        |
|-----------------------------|------------------------------------------------------------------------|
| Applications                | Flow Cytometry                                                         |
| Recommended Dilutions       | Flow Cytometry                                                         |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined. |
