MMP-25/MT6-MMP Antibody (141811) [Janelia Fluor® 549]

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 0.5 ml                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                    |
| Clonality           | Monoclonal                                                                                  |
| Clone               | 141811                                                                                      |
| Preservative        | 0.05% Sodium Azide                                                                          |
| Isotype             | IgG1                                                                                        |
| Conjugate           | Janelia Fluor 549                                                                           |
| Purity              | Protein A or G purified from hybridoma culture supernatant                                  |
| Buffer              | 50mM Sodium Borate                                                                          |

| Product Description     |                                                                                                          |
|-------------------------|----------------------------------------------------------------------------------------------------------|
| Host                    | Mouse                                                                                                    |
| Gene ID                 | 64386                                                                                                    |
| Gene Symbol             | MMP25                                                                                                    |
| Reactivity Notes        | 0                                                                                                        |
| Specificity/Sensitivity | Detects human MMP□25/MT6-MMP in direct ELISAs.                                                           |
| Immunogen               | Mouse myeloma cell line NS0-derived recombinant human MMP□25/MT6-MMP Pro314-Cys508<br>Accession # Q9NPA2 |
| Notes                   | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.                    |

| Product Application Details |                                                                        |
|-----------------------------|------------------------------------------------------------------------|
| Recommended Dilutions       | Intracellular Staining by Flow Cytometry, CyTOF-ready                  |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined. |
