CD155/PVR Antibody (1072806) [PE]

| Product Information         |                                                                                                 |
|-----------------------------|-------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                          |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.     |
| Storage                     | Store at 4C in the dark.                                                                        |
| Clonality                   | Monoclonal                                                                                      |
| Clone                       | 1072806                                                                                         |
| Preservative                | 0.05% Sodium Azide                                                                              |
| Isotype                     | IgG2b                                                                                           |
| Conjugate                   | PE                                                                                              |
| Purity                      | Protein A or G purified from hybridoma culture supernatant                                      |
| Buffer                      | PBS                                                                                             |
| Product Description         |                                                                                                 |
| Host                        | Mouse                                                                                           |
| Gene ID                     | 5817                                                                                            |
| Species                     | Human                                                                                           |
| Specificity/Sensitivity     | Detects human CD155/PVR in direct ELISAs.                                                       |
| Immunogen                   | Mouse myeloma cell line NS0-derived recombinant human CD155/PVR Gly27-Asn343 Accession # P15151 |
| Product Application Details |                                                                                                 |
| Applications                | Flow Cytometry, Immunocytochemistry                                                             |
| Recommended Dilutions       | Flow Cytometry, Immunocytochemistry                                                             |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                          |
