Carbonic Anhydrase IX/CA9 Antibody (1349A) [DyLight 680]

| Product Information         |                                                                                                         |
|-----------------------------|---------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                  |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.             |
| Storage                     | Store at 4C in the dark.                                                                                |
| Clonality                   | Monoclonal                                                                                              |
| Clone                       | 1349A                                                                                                   |
| Preservative                | 0.05% Sodium Azide                                                                                      |
| Isotype                     | IgG                                                                                                     |
| Conjugate                   | DyLight 680                                                                                             |
| Purity                      | Protein A or G purified from hybridoma culture supernatant                                              |
| Buffer                      | 50mM Sodium Borate                                                                                      |
| Product Description         |                                                                                                         |
| Host                        | Rabbit                                                                                                  |
| Gene ID                     | 768                                                                                                     |
| Species                     | Human                                                                                                   |
| Specificity/Sensitivity     | Detects Human Carbonic Anhydrase IX/CA9 in direct ELISA.                                                |
| Immunogen                   | Mouse myeloma cell line, NS0-derived human Carbonic Anhydrase IX/CA9 Pro59-Asp414<br>Accession # Q16790 |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                       |
| Product Application Details |                                                                                                         |
| Applications                | Immunohistochemistry                                                                                    |
| Recommended Dilutions       | Immunohistochemistry                                                                                    |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                  |
