Cadherin-7 Antibody (1087216) [Janelia Fluor® 549]

| Product Information         |                                                                                              |
|-----------------------------|----------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                       |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.  |
| Storage                     | Store at 4C in the dark.                                                                     |
| Clonality                   | Monoclonal                                                                                   |
| Clone                       | 1087216                                                                                      |
| Preservative                | 0.05% Sodium Azide                                                                           |
| Isotype                     | IgG2b                                                                                        |
| Conjugate                   | Janelia Fluor 549                                                                            |
| Purity                      | Protein A or G purified from hybridoma culture supernatant                                   |
| Buffer                      | 50mM Sodium Borate                                                                           |
| Product Description         |                                                                                              |
| Host                        | Mouse                                                                                        |
| Gene ID                     | 1005                                                                                         |
| Species                     | Human                                                                                        |
| Specificity/Sensitivity     | Detects rhCDH-7 in Direct ELISA.                                                             |
| Immunogen                   | Chinese Hamster Ovary cell line, CHO-derived human Cadherin-7 Met1-Thr607 Accession # Q9ULB5 |
| Notes                       | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.        |
| Product Application Details |                                                                                              |
| Applications                | Immunohistochemistry                                                                         |
| Recommended Dilutions       | Immunohistochemistry                                                                         |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                       |
